

MISSION STATEMENT

Leverett Elementary School promotes excellence by educating its diverse population in a nurturing, challenging, and disciplined environment.

We are committed to helping all students acquire the necessary critical-thinking skills to become problem solvers, responsible citizens, and life-long learners.

◆ We believe all students can learn and we can meet them where they are.

◆ We believe that our school will provide a safe, nurturing and respectful environment for all staff and families.

◆ We believe in promoting open relations between families and staff in motivating students to meet high expectations.

◆ We believe that being a team of parents, teachers and students is critical to our success.
